Life is like baseball.

A great hitter is only successful 3 out of every 10 times.

So that means 7 times you fail.

Life like baseball is set up for you to fail.

But it's not about how you fail or why you fail
but how you are able to bounce back from that failure to
get those 3 hits to be a great player.

Please continue to follow these rules to make 2018 a great year!

Students are not allowed back into their classrooms after 3:00 PM for any reason. If there is an emergency, the family will need to contact the principal. The main reason is to provide building security (safety/theft) but also students should be responsible for all their required items when they exit the classroom.

Students should not be arriving to school earlier than 8:00 AM . There is no supervision outside until this time. Breakfast begins promptly at 8:00 AM and we hope all students are taking advantage of our Free Breakfast and Lunch program ! Contact the website for further details.

Students :Bicycle /Skateboard privileges are granted as long as the child maintains a responsible attitude for the safety of themselves and other children. Children are allowed to ride their bicycles/skateboards only to and from school. The child is requested to push/carry their bicycle/skateboard on and off the school property. All parents are urged to provide a lock for the child to safeguard his/her bicycle.

Students will not:

1. Wear hats in the building, except for extenuating circumstances.
2. Utilize radios, Ipods or Ipod like devices, cell phones and/or mp3players.
3. Bring guns, knives, caps, explosives, or other sharp objects to school (as per BOE policy).
4. Drink soda except during parties or field trips.
5. Ride bikes, rollerblades, or skateboards on school grounds during school hours.
6. Have in their possession or use tobacco products, including e-cigarettes, alcohol or drugs (as per BOE policy).

We have found that items such as trading cards and toys from home often interfere with class activity, can be very distracting for students and can cause problems among children. Toys can be lost, broken or even given away. We have a wide variety of toys and recreational activities available to students during recess and free play. If there are special occasion or circumstances bringing in items from home, arrangements can be made through the classroom teacher or Principal.

Parents and those responsible for picking up students please note :

There is **NO SMOKING** on school premises. This does include your vehicle. Please comply with this rule.

Parents Please note: Cars should not be parking in the passing lane/thru area in the parking lot! This is a Safety Concern and we need cars to move smoothly so students may enter the school.

Please drop off your student and move ahead. If you plan on staying in your vehicle you must park in a designated area to wait.

CAUGHT BEING GOOD !!!

Many students have been “Caught Being Good”

Their names are read during

announcements and they are able to choose something from the Caught Being Good Cart !

Some of the recent behaviors reported from the students who have received red tickets are as follows:

We were all recognized for doing our best on chart for classroom behaviors.

I brought two trays to the cafeteria—no problem!!

I was helpful and worked well with faculty members.

I held the door to assist those who were trying to get outside.

I wrote letters with lots of text evidence in my answer.

I helped the “lunch lady” .

I picked up ropes and toys at recess.

I organized trays for teacher.

I picked up a mess around the classroom mailboxes.

I solved a problem on the computer and encouraged others to stop arguing.

I listened and followed directions the first time.

I picked up litter on the playground.

I picked up sports equipment after recess.
